

EmployABILITY Soft Skills

Our Program

Students are learning math, English, and science that will help them succeed in the workplace. At the same time, students must develop their soft skills. Microburst Learning developed a turn-key system for **cultivating** students' soft skills. This program has been directly reengineered from the business world to the world of education and placed in a format that will impact students at a 4th and 5th grade level. EmployABILITY Soft Skills is based on over 30 years of soft skills training experience in the global private business sector. Our blended learning approach includes:

1. Highly Interactive Game-Based Online Lessons
2. Instructor Certification
3. Comprehensive Instructor Guides with flexible classroom activities to meet a variety of schedules and class sizes
4. Achievement Award

Initiative

Planning and Organizing

Stock Up

Having the correct ingredients is an important step to making lemonade! It's time to stop at the store and grab your supplies. Can you make it on time?

You have 30 seconds, but answer the following questions correctly to earn more time!

1. It is important to list all the possible tasks for a project before you begin.

Time left: **23**

Vetted by teachers, counselors & students.

Conflict Resolution

Peer Pressure

Involves know it's okay to like different things.
Good friends will respect your decisions and opinions.

A Student Says

I can use soft skills, at home, in the classroom, and with my friends! Now, I know how to communicate and talk through a problem.
